Mr. Joe Guerra

Dear Mr. Guerra:

SUBJECT: YOUR FREEDOM OF INFORMATION ACT REQUEST;
FOIA CASE NUMBER DON 2014F000207;
FOIA TRACKING NUMBER DON-NAVY-2014-001954

This is in reference to your Freedom of Information Act (FOIA) request dated November 8, 2013. Your request was received in our office on November 22, 2013, and referred to Naval Historical and Heritage Command on November 26, 2013. We are responding on behalf of Naval Historical and Heritage Command.

As of February 1, 2014, DON joined FOIAonline as a participating agency. As a result of this transition, the tracking number of your FOIA request has been changed to DON-NAVY-2011-000079.

We contacted two offices who might hold responsive records: Director, Undersea Warfare (OPNAV N97) and Naval Historical and Heritage Command (NHHC). OPNAV N97 advised that the 1964 and 1986 photos are the most recent photos that have been released to the public. NHHC facilities are currently undergoing a major overhaul, rendering significant portions of their archives temporarily inaccessible. Therefore, NHHC is temporarily unable to conduct the requested search.

Additionally, this office recently released additional images and video in response to DON-NAVY-2013-000260, which are available through the FOIAonline website.

Questions regarding the action this office has taken during the initial processing of your request may be directed to our FOIA service center at (202) 685-0412.

Sincerely,

Robin Patterson
Head, DON FOIA/PA Program Office
